

What is this Shoparoo I keep hearing about?

Shoparoo is a free iPhone and Android mobile application that turns pictures of your receipts into cash donations to the school or charity of your choice. Rewarding and easy, Shoparoo is already being used as a fundraising tool in over 7,000 schools across the country. Just take a few moments to snap a picture of your grocery receipt on your smartphone, and voila - you've made an instant cash donation! Parents, teachers and other supporters love Shoparoo because they can shop anywhere and buy anything just like they always do, quite unlike most other fundraising programs.

I don't have a smartphone, how can I help?

2 ways! You can put all your receipts in an envelope, and leave them in the PTO box for one of us to scan for you. We can return your receipts immediately after we snap the picture! You can also use the App on an iPad or iPod as well as a smartphone!

I can't find the App, HELP!

You can text me (Holly Bellucci 401-225-4943) with your name and cell number and I can text you back the direct link for us!

What if there is some data on my receipts that I don't feel comfortable submitting?

Participants are free to cross-out any data on their receipts if they don't feel comfortable submitting them. As long as the store name, date, total and most purchased items are legible, the receipt will still receive donation credit.

How many points do my receipts earn?

Less than \$10 = 10 Roo Points

\$10 - \$50 = 20 Roo Points

\$50 - \$100 = 30 Roo Points

\$100+ = 40 Roo Points

What store receipts qualify?

All retail stores and restaurants!! *Non-qualified receipts are gas only purchases and service receipts, such as salon services. Your receipts must be LESS THAN 14 days old. You can submit up to 20 receipts every 14 days and no more than 3 receipts from the same store on the same transaction date.*

How Do I sign up?

1. In the “App Store” or “Google Play” search for the “shoparoo” app (or use the text link from me)
2. In the section “Start Raising Money” enter your email address (none of us will have access to this information) and click “Join”
3. To choose the “cause” you are raising money for search for “Anna McCabe PTO”
4. Type in your name. This part is **OPTIONAL**. Some people choose to remain anonymous but it’s fun to see who has collected the most points on the leader board! I also recognize people on the PTO facebook page since some of the moms have become a little competitive! ;)
5. Once you have receipts simply click the bottom that says “Camera”, line up your receipt in the template and snap the picture. If you have a very long receipt you will take several pictures of the same receipt to fit it all in. Just keep moving down until you get all the items in. If you have a receipt on an 8 1/2x11 paper you can still snap a picture if it’s lined up in the template the same way.

BONUS HINTS: You can earn extra points by **inviting friends** to join shoparoo for us! So make sure you ask friends and family to join as well...we have supporters from as far away as COLORADO right now! 100 bonus points for everyone you invite who joins! Some stores will ask for a quick **survey** (only a few questions) to earn extra points too! If you submit receipts for **5 consecutive weeks** you will earn an extra 5 points for each receipt you submit as a “high frequency user”!
